FOR GIRLS:

Tops

Cotton T-shirts:
 Pastel or neutral-colored, lightweight, loose-fitting cotton T-shirts to keep cool and comfortable.
 Tank tops:
 Crop tops in cotton or linen for casual outings and everyday wear.
 Crop tops:
 Great for summer because they are stylish and versatile, paired with high-waisted bottoms, and are perfect for a trendy summer look.
 Blouson tops:
 Loose, airy tops, the elastic hems add extra ventilation while remaining classy.
 Off-shoulder tops:
 Light and breathable

Bottoms

FOR MEN:

Tops:

T-Shirts:
 Opt for lightweight cotton or moisture-wicking fabric in solid colors or minimal prints like stripes or small graphics.
 Polo Shirts:
 Casual yet polished, polos in breathable fabrics are great for outings or casual events.
 Tank Tops:
 Ideal for very hot days, wear them at home or casual settings; choose simple designs for versatility.
 Short-Sleeve Button-Downs:
 Light linen or cotton shirts in patterns like checks, florals, or subtle geometric prints.
 Oversized Shirts:
 Airy, loose-fit cotton shirts for a trendy and comfortable look.

According to the age group, the user will get the clothing patterns (what needs to be worn) during heat waves condition.

Fourth page

VULNERABLE POPULATION

Infants and Children	Outdoor Workers	Pregnant Women
		
Do's 1. Take regular breaks in shaded or cooler areas. 2. Drink plenty of water throughout the day to stay hydrated. 3. Wear loose, light-colored, and breathable clothing to reduce heat absorption. 		Don'ts 1. Do not work continuously in direct sunlight for long hours. 2. Avoid wearing heavy or dark clothing that absorbs heat. 3. Do not skip meals, as proper nutrition helps with heat tolerance. 

precaution for pregnant women Dos and Don'ts for vulnerable populations (infants, outdoor workers, pregnant women).
